LETTER IN RESPONSE TO NOTICE OF INFORMALITY

Assistant Commissioner for Patents

Sir:

If any additional charges or fees must be paid in connection with this communication, they may be paid out of our deposit account no. 50-0783.

This letter is given in response to a communication from the United States Patent and Trademark Office issued October 20, 2005, a copy of which is attached, regarding an Informality Re Payment of Fee. The letter asks that a \$55.00 extension fee be paid on an amendment which was logged in as filed on October 13, 2005. The applicant asserts that the amendment was not filed October 13, 2005 but was in fact filed October 11, 2005, and to support this allegation a complete copy of the amendment, including a copy of the Transmittal Form PTO/SB/21, is enclosed. The Transmittal Form includes a Certificate of Mailing in which the undersigned certified that the correspondence was

deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to the Commissioner for Patents on October 11, 2005. If the envelope in which the transmission was enclosed was retained by the Patent Office, that envelope will also reflect a postal date of October 11, 2005. Since the original Office Action to which this amendment was in response was dated July 12, 2005, the amendment was due by October 12, 2005. With the Certificate of Mailing attached thereto, the response was properly filed October 11, 2005, one day before the due date, and accordingly the Informality Re Payment of Fees, asking for a \$55.00 extension fee has been improperly assessed. The applicant hereby requests that this Notice of Informality Re Payment of Fee be withdrawn.

If for any reason the Informality Re Payment of Fee is not to be withdrawn, the applicant draws attention to the fact that this letter and the amendment to which this letter relates both include a paragraph stating that any additional fees arising as a result of the communication may be drawn out of the applicant's attorney's deposit account 50-0783.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Robert L. Marsh". The signature is fluid and cursive, with the first and last names being more prominent.
